To,

The Deputy Commissioner
Shimoga District

Sir,

I I have the honor to ack
acknowledge the receipt of your
letter № 391 of the 28th ultimo ack
recommending the abolition of
certain offices attached to the ack
muzrai Shrotriems in your
District, and the appointment
of a sweeper for each Shrotriem
on Rupees 3 per mensem.

2. All the Shrotriems mentioned
in the statement, now received
with your letter under reply,

have the services of a "Karkate"
attached to them - It is the
duty of this class of servants
to clean the utensils belonging
to the Laboratory, and sweep
the building. Before submitting
for the sanction of the Chief
Commissioner a general measure
of this kind, it is desirable
that you should request the
Surgical officer to report the
manner in which these H
servants have been doing their
duties; whether any complaint
has been received as to the
insufficiency of their pay,
and if any inconvenience is H
experienced in procuring men
for these posts on their
present

present salary—

3. The opinion of the Mizrai officer should also be obtained as to the feasibility or otherwise of abolishing the offices of "Mudaliar" and "Gunadasa Vidanagé"

Sir,

In reply to your letter No 456 dated 19th July 1876, I have the honor to forward herewith copy of a letter No 25 of the 4th October 1876 with 4 enclosures from the Mooziya Assistant in which he has submitted his opinions regarding the appointment of sweepers to certain chuttrums in the District, and to state that I differ from the opinion of the Mooziya Assistant that the appointment of sweepers should be postponed until vacancies

occur in the appointment of "Gunda Kanthy" and "Nanadia samarpance"
It is evident that the services of these class of officials are not so indispensable as those of sweepers.
I therefore beg to suggest that the proposition submitted by Mr. Cunningham vide letter No 391 of the 28th June may be sanctioned

of the Shimoga District

Sir,

With Reference to Govt No 683

* herewith returned of the 7th August 1876 giving Cover to the Commissioner's 18436 of 29th July, I have the honor to state that of the 12 Chuttrums in this District 4 Contain no Karkaties nor Sweepers their duties being performed by females who are paid from the feeding allowances for cleaning the Utensils; 5 Chuttrums possess Karkati Offices, while the rest Institutions Contain Regular Sweepers on Rs 2 to 4 per mensem as stated enumerated by the Asst Comm.r in establishing their Gumashtas Karkatis Serv.ts and Karkati Offices &c

2 Of the existing 5 Karkatis, 2 are vacant, while the remaining 3 females sweepers are a Kin to the Landlords and Clean the Utensils for

a week

which they get free from the Chuts.
Trunos. No Complaint has been made by
them for the non payment of their pay.
But when vacancies occur in the
Class of servants, much inconvenience is
experienced in procuring men to accept
the posts on the present small salary.

3 In Rondam the existing state
of things in other Districts, their
Moorzy Officers were entitled to
their Perkes the Officers of Burpam
have considered that the Jundhakotah
and Begunthya need not be abolished
while those of Bangalore and Dumkhan
advocate their abolition as vacancies
occur, and the immediate of sweepers in
lieu. The Moorzy Officer of Chitul,
thus writes that the matter of abolishing
the Jundhakotah and Begunthya is
under consideration, while no steps were
definitely heard from Kolar and Madras
Districts on the subject.

4 I have herein enclosed a

detailed statement of the establishment of the Churchmans in this Postal with my Remarks thereon, from which it will be observed that the Offices of Superintendent and Keepers are only in 6 out of 12 institutions, are unnecessary and may gradually, & vacancies occur, be abolished, in order to provide for Keepers, whose services are absolutely necessary to take care of the Churchmans, some of which have lately been extended and repaired.

No 1.

Chittaldroog Dt.
Inspector Office,
19th Feby 1877.

To
The Deputy Commissioner
Chittaldroog District.

Sir,

In reply to your Docket No. 1638 of 6th Inst. I have the honor to forward herewith a statement showing the present establishment in the several Chuttrums in the District with the remarks of the Inspector.

In ordinary season, it appears that Sweepers can be had without difficulty for the present pay, and that they do their work properly.

In four out of the eight Chuttrums in this District, there is an Office of Swinder. In the remaining three Chuttrums there are both Swinder and Gundakasthoday officers. These Offices appear to be unnecessary. But as the fee-

Inst

present incumbents appear to have long been dependent on their present office for their maintenance, the office of Sevada & Gundhakokatay may be discontinued as vacancies occur

If the pay of the person who supplies fuel to the Harbour Lighthouse, with the cost of the allowance for feeding the bullock be discontinued, and if the pay of the officers of Sevada and Gundhakokatay be added to it, each Sweeper might be allowed Rs 3-- per month, and there will also be left a saving of Rs 1--11--0, per month.

The enclosures are herewith returned

I have the honor to be

No 1252

Chutuldroog District
Dy Commrs Office
Chutuldroog 6th March

To,

The Commissioner
Mysore Division

Sir,

With reference to your Revo
Circular No 373 of the 2d November
last, and its original enclosures,
herewith returned on the subject
of the revision of the establishment
of certain Chuttrums in the Shimoga
District, I have the honor to
forward copy of a report No 1 dated
19th Ultimo, and that of its enclosure,
received on the subject from the
Moozrai officer of this District,
from which it will be observed
that the pay of the

attached to each clutter, viz. 11

12 Annas, a month, is exceedingly small, specially at a season like the present one, although the present incumbents do not generally complain of it. The Moozroy officer, while admitting that the officers of "Nawadia" and "Gandhak Shale" are unnecessary, advocates their discontinuance as vacancies occur, on the ground of the present incumbents having been long dependent of their maintenance on the emoluments of those offices. It is, however, my opinion that offices considered unnecessary may be abolished at once. By this means, a savings of Rs 16-12 -- will be effected, to which, the cost of the establishment mentioned

ab,

at the Hanchara cheltter for cH supplying firewood, Rs 2-12-0 being added, the total savings will be Rs 19-7-0. The total salary of the sweepers of all Cheltters, cH amount to Rs 5-9-0. By allowing each of them a pay of Rs 3 out of the above savings, there will still be a savings of one Rupee, to Government and not Rs 1-11-0 as mentioned by the Muzgroy officer.
